DISCOVERY TO BE COMPLETED AND REASONS FOR STAY OF DISCOVERY:

Discovery to be completed includes:

- Depositions of Defendants;
- Depositions of Fact Witnesses;
- Depositions of Plaintiffs;

- Depositions of Treators;
- Disclosure of Experts;
- Depositions of Experts;
- Deposition of Defendants' FRCP 30(b)(6) representative(s);
- Additional written discovery and depositions as the Parties deem necessary.

Due to the aforementioned pending criminal case in the Eighth Judicial District Court, Plaintiffs have been unable to obtain information regarding the investigation. A subpoena to the Las Vegas Metropolitan Police Department was unsuccessful in obtaining any information related to the events that may have transpired at the Siegel Defendants' premises, nor was it successful in obtaining the documents related to Las Vegas Metropolitan Police Department's interaction with County Defendants. This information is critical to this litigation and the criminal trial dates have been repeatedly continued.

The parties aver, pursuant to Local Rule 6-1, that good cause exists for the requested stay. The parties agree that, pending this Court's approval, stay of discovery proceedings are appropriate, given the restrictions on the necessary discovery to this litigation due to the pending criminal trial against Paul Jones. The Parties have agreed upon staying discovery in this litigation except for written discovery, subpoenas and requests of that nature. In other words, the parties have agreed to stay depositions and expert disclosures until the conclusion of the criminal trial, but written discovery, and the like may proceed. Upon conclusion of the criminal matter the Parties will submit a proposed stipulated amended Discovery Schedule. The criminal trial was continued by the Eighth Judicial District Court to April 26, 2021.

Also supporting good cause for the extension is the potential for this case to be remanded back to state court. Should Plaintiffs' Motion for Reconsideration be denied, this Court will no longer have jurisdiction over this case and it will have to return to state court.

If this stay is granted, all anticipated additional discovery will proceed after the conclusion of the criminal trial. The Parties aver that this request for stay of discovery is made by the Parties in good faith and not for purpose of delay.

Dated this 26th day of October, 2020.

Dated this 26th day of October, 2020.

IT IS HEREBY ORDERED that the stay of discovery is continued for an additional 90 days to January 25, 2021.
